AHHH WINTER IS ABOUT OVER – REMINDER With the snow melting lets make an effort to clean up around our homes and the street areas, especially near your garbage can location – make the City look proud.

THEY ARE CLOSED: FROM TROY MOTORS In order for a business to make it in a small town, the townspeople must patronize it. We want to thank all of you for keeping us in business since 1949. Because of your loyalty it was hard for us to make this decision. On March 1, 2007 we will close our doors and go out of business.

Again, we thank you for 57 years of loyalty. We will miss being able to serve you. Sincerely – Ken & Kenneth Whitney!

HORIZONS What is the vision for Troy in building a thriving community? At Troy Horizons study circles we discussed some of the things that are lacking in our community and our assets. Three study circles have generated ideas and formulated potential action plans to build our community. The three study circles will summarize their efforts during an Action Forum, open to the whole community. Join us for the Action Forum, March 20 at 6:30 pm in the Troy Elementary School Multipurpose Room for refreshments, ideas, and plans for our community.

The Horizon's project is sponsored by Northwest Area Foundation in partnership with the University of Idaho Extension Services. For questions contact Heidi Reiersen at 835-4088 or Julie Redford at 835-5623.
