## WANTED!

TROY DAYS

CELEBRATION ACTIVITIES

JULY 19, 2008

Plans are underway for the annual Troy Days Celebration. It would be GREAT to offer more activities in the park during the day. Your group or organization is invited to plan some sort of activity for that day. Some ideas may be a carnival type game, a contest, or some other fun activity...use your imagination! For more information please contact Loretta Griffis @ 835-4201 or dlgriffis@moscow.com.

### COMPUTER TIP OF THE MONTH:

#### CHOOSING A GOOD PASSWORD:

It is very tempting to use the dogs name or the car's model as one's password but those can be easily guessed or "cracked" by a computer program. All's not lost, though. Just mix in a couple of numbers (your graduation year, maybe) and capitalize one of the middle or end letters and you've changed Rover to a very solid password like r9oVe5r.

Tip brought to you by Oscar's Computer Service: 208-310-0956
